## Annual Christmas Party Was Another Success

We had a great time at our Annual Christmas party. We enjoyed holiday goodies and taco in a bag. The children enjoyed a visit from Santa! Thank you to all who joined us! It was a success!!

## 2022 A Year in Review

2022 has been a great year for our community! We have seen some old friends move away and new residents move in. We welcome all who are new to our community.

We held our annual Christmas party and National Night Out. We are always open to hearing ideas for new events to be held in the community.

As I think about the year ahead, I am filled with joy and excitement for the future and hope that our community will continue to become stronger. I thank all of you for your true desire to keep our community a great place to call home. It really does take the entire community to be successful!

### Double Tomato Bruschetta

- 6 roma tomatoes, chopped
- 1/4 cup fresh basil, stems removed
- 1/2 cup sun-dried tomatoes, packed in oil
- 3 cloves minced garlic
- 1/4 cup olive oil
- 2 TBSP. balsamic vinegar
- 1/4 tsp salt
- 1/4 tsp black pepper
- 1 French baguette
- 2 cups shredded mozzarella cheese

Preheat the oven on broiler setting. In a large bowl, combine the roma tomatoes, sun-dried tomatoes, garlic, olive oil, vinegar, basil, salt, and pepper. Allow the mixture to sit for 10 minutes. ### Twigs and Stick reminder

Please do not pile branches in the street. Keep them in a pile at the end of your yard at the curb. This way the plows will not have issues removing the snow.

### Light Up Evergreen Village

Thanks to everyone who took the time to decorate the outside of their home for all to enjoy this Christmas season. Congratulations to the winner of the Contest:

**Pat & Peggy**

Take time if you have not already to drive the community to look at all the awesome lights!

### **Homes for Sale**

Please share the enclosed flyer with those you know who may be looking for a new home!

A friendly reminder to please clean all snow and ice from your driveway, sidewalk, and front entrance, including any snow left by the street plowing. Please **DO NOT** push your snow into the street.

Thank you!

### ***Q: Should I worry about ice damming after a heavy snow?***

A: Yes. As snow melts and re-freezes water can collect at the edge of your roofline. It is a good idea to use a roof rake to remove the snow along your roofline which can help prevent ice dams that can lead to damage on the roof and cause leaks inside your home. Be very careful if you are climbing on top of your roof to shovel as it can be very slick. Also, be careful not to damage your roof vents.
